

Logitech®

Bluetooth® Mouse M555b

Speedy and sleek, with Bluetooth® connectivity

- Bluetooth® wireless technology
- Hyper-fast scrolling
- Laser tracking
- Efficient power management

The Logitech® Bluetooth® Mouse M555b. Speedy and sleek, offering wireless connectivity with your Bluetooth®-enabled computer. And you don't need a receiver. Hyper-fast scrolling lets you fly through long documents and Web pages with a single spin of the nearly frictionless scroll wheel. Laser tracking delivers smooth, responsive, precise cursor control on surfaces that cause problems for standard optical mice, such as polished or wood-grain tables. The low-battery indicator eliminates surprises. The smart sleep mode and on/off switch extend battery life**.
