## HD Webcam C270

HD video calling that's simple.

- HD 720p video calling on most major IM applications and Logitech Vid™ HD
- 3-megapixel pics (software enhanced)
- Logitech® RightLight™ technology
- Logitech® RightSound™ technology

Logitech® HD Webcam C270. HD video calling that's simple. You'll enjoy an HD 720p video call on most major instant messaging applications and Logitech Vid™ HD—the free, fast and easy way to see your loved ones face to face. Send your family and friends a picture when you don't have time to talk or record a video. Take a 3MP photo (software enhanced) with just one click of a button. Your webcam will adjust to poor lighting conditions automatically to produce the best possible image—thanks to Logitech RightLight™ technology. And background noise doesn't have to spoil your video calls. Logitech RightSound™ technology delivers clear conversations—so you can be heard.
