L386

Multi-function Wi-Fi printer with integrated ink tanks for fast and cost-effective colour printing, copying and scanning.

Looking for a good-quality printing solution for home or home office use? The L386 is ideal; it provides ultra-low-cost printing thanks to its high-capacity ink tanks, plus scanning, copying, Wi-Fi and borderless photo printing. It's also easy to set-up and produces consistent and fast results with 10ppm print speeds[1].

Say goodbye to cartridges – two years' worth of ink[2]

You can print up to 13,000 pages in black and 6,500 pages in colour[3], from the inks included in the box. A full set and two extra black ink bottles are included, so you have everything you need to get started - and keep you going. With this system, you're sure to reduce your costs and print for much longer before needing replacement ink.

Improve your productivity

You can get on with the things that matter as the L386 is easy to use and hassle-free to set up. Day-to-day use is also simple, with Wi-Fi connectivity and Epson Connect[4] making it fuss-free to print from smartphones and tablets. It's swift too; it boasts print speeds of 10ppm, and the multi-copy function allows you to copy up to 20 times in one go. When it comes to needing a refill, the fast top-up technology means it's straightforward and quick. The Epson genuine ink bottles make it easy to fill the ink tank thanks to their clear labels and drip-free nozzles. It also has a 1,200dpi scanner and borderless photo printing feature.

Trust Epson quality

Thanks to Epson's genuine inks and its purpose-built and integrated ink tank, you can enjoy reliable colour printing without the mess or hassle often associated with non-genuine refills and third-party ink tank systems. The L386 also comes with a one-year or 30,000 page manufacturers warranty for additional peace of mind.

KEY FEATURES

- **Ultra-low-cost print, copy and scan**
  Integrated ultra-high-capacity ink tank
- **Two years' worth of ink[2]**
  13,000 pages in black and 6,500 pages in colour[2]
- **Extra inks included**
  One standard set of inks plus two additional black bottles in the box
- **Peace of mind**
  Covered by Epson's 12 month or 30,000 page warranty
- **Flexible with Wi-Fi**
  Wi-Fi connectivity and easy mobile printing[2]

Replacement	4.500 pages*	7.500 pages*

* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 with replacement sets of ink. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.

1. The average of ESAT from the Office Category Test for B&W simplex, determined in accordance with ISO/IEC24734
2. 2 years' of ink based upon user's average monthly print volume (IDC WW Page Volume Program, 2015)
3. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 with replacement sets of ink.
