

Original HP ink XL cartridges, twin and combo packs

- designed for frequent printing.

Save with Original HP ink XL cartridges, twin and combo packs

You can save up to 10%¹ when you take advantage of Original HP ink options designed for high-volume printing. XL ink cartridges, twin and combo packs are available in the most popular configurations, and give you the proven reliability and performance you've come to expect from HP.

HP XL, twin, and combo—three ways to print more for less

Original HP Ink XL cartridges feature higher ink capacity for bigger savings. And when you buy a twin or combo pack—containing two or more cartridges—you save money on each. Simplify ordering and save on shipping with twin and combo packs, which feature a single part number. Now more than ever, HP makes it easy to choose the right cartridge to match your printing habits.

Did you know?

- Original HP ink cartridges have been engineered to use recycled plastic and still meet HP's demanding standards for quality and reliability.
- The HP "closed loop" ink cartridge recycling process is the first of its kind. Recycled plastic from HP ink cartridges—returned by customers through the HP Planet Partners program—is combined with recycled plastic bottle materials to create new Original HP ink cartridges.
- As of 2011, HP customers have recycled nearly 250 million HP ink cartridges worldwide through HP Planet Partners—enough to fill more than five Olympic-size swimming pools.

Enjoy outstanding print quality and proven reliability

Count on Original HP ink cartridges for exceptional print quality and reliability. Produce professional documents with laser-quality text and show-stopping color, plus enjoy lab-quality photos. In February 2011, Buyers Laboratory Inc. completed a study for HP designed to test the reliability performance of Original HP ink cartridges compared to refilled cartridges from leading refill service providers. The results were stunning. Out of 540 ink cartridges tested on 18 printers, Original HP ink cartridges proved to be 100% reliable. Not a single Original HP ink cartridge failed.²
