MEDIA CARD
CENTRE

- Print at impressive speeds of 35 mono and 28 colour pages per minute
- With a print quality of 6,000dpi and 1.5 picolitres you can produce professional quality documents in-house
- Connect and share the DCP-J315W across your existing wireless network
- Print directly from media cards without the need to turn on your PC
- The 1.9" colour LCD display makes the DCP-J315W even easier to use
- Reduce waste with four individual ink cartridges

DCP-J315W Wireless Colour Inkjet Multi-Function Centre with Media Card Centre

Do More with the DCP-J315W with Print, Scan and Copy capabilities across your existing wireless network.

Share your device across multiple users without the need for wires; the DCP-J315W connects to your existing wireless network simply and securely via the easy to use software.

Save time and reduce costs by printing professional quality documents in-house with 1.5 picolitre droplet size and up to 6,000dpi resolution. The DCP-J315W also offers impressive print speeds of up to 35 mono and 28 colour pages per minute.

The DCP-J315W offers an easy to use menu which can be navigated via the 1.9" colour LCD display; which combined with the simple to operate control panel allows you to get the most out of your device.

Scan bound and irregular shaped documents with the flat bed scanner, and save time by scanning directly to email, file or memory card.

Print images directly from your media cards without the need to turn on your PC. Use the 1.9" colour LCD display to select, preview and print your images instantly.

The DCP-J315W complies with the strict ENERGY STAR standard, which ensure low energy consumption, low noise levels and a recycle-friendly design.

All Brother inkjet Multi-Function Centres use an individual ink cartridge system. This means you only have to replace the colour that runs out instead of having to discard an entire tri-colour cartridge - reducing waste, protecting the environment and saving you money. Further more, you can return your empty ink cartridge via the Cartridges 4 Planet Ark recycling program and you will be helping to protect the environment. For more information go to www.brotherearth.com

To achieve the highest print quality, we recommend using original Brother LC39 ink cartridges together with Brother BP71 Premium Plus photo paper.

DCP-J315W Technical Specifications

General	
Technology	Inkjet
Memory Capacity	32MB
Warm-up Time	0 seconds
Interfaces	Full Speed USB 2.0 / USB Direct / Pictbridge / Media cards
Display	1.9" colour LCD
Network	Wireless LAN IEEE 802.11b/g (Infrastructure Mode/Adhoc Mode)
Protocols	TCP/IP (IPv4)
Wireless Setup	Wi-Fi Protected Setup™ (WPS), AirStation OneTouch Secure System™ (AOSS)
Wireless Security	WEP 64/128, WPA-PSK (TKIP/AES), WPA2-PSK (AES)
