

Logitech®

## Mouse M100

**Just the basics for comfortable, reliable control of your computer**

- **Built by Logitech® – the mouse experts**
- **Simple to set up and use**
- **Full-size, ambidextrous shape**
- **High-definition optical tracking (1000 dpi)**

Logitech® Mouse M100 gives you just the basics for comfortable, reliable control of your computer. It's built by Logitech® – the mouse experts – and comes with the quality we've built into more than a billion mice. There's no software to install.

And since it's corded, you can just plug the cable into a USB port and use it right away. The full-size, ambidextrous shape means your hand will rest comfortably, while high-definition optical tracking (1000 dpi) means you'll get responsive, smooth cursor control for precise tracking and easy text selection.
