

Logitech® Mouse M90

For a great value and reliable, comfortable control

- Plug-and-play simplicity
- High-definition optical tracking (1000 dpi)
- Built by Logitech[®] the mouse experts

Logitech[®] Mouse M90 gives you just the basics for comfortable, reliable control of your computer. It's built by Logitech – the mouse experts – and comes with the quality we've built into more than a billion mice. There's no software to install. And since it's corded, you can just plug the cable into a USB port and use it right away. The full-size, ambidextrous shape means your hand will rest comfortably, while high-definition optical tracking (1000 dpi) means you'll get responsive, smooth cursor control for precise tracking and easy text selection.
