MasterCase Graphics Card Holder

Make It Yours

Got a nice looking system, but can't help it notice that your graphics card(s) are sagging more than you'd like? Look no further!

The MasterCase Graphics Card Holder will make your system look better than before. Sagging cards will be a thing of the past!

Features

No more sagging cards – Provide extra support to your graphics card and prevent them from sagging. Plus it also looks cool!

Graphics Card supports – Supports up to two graphics cards.

Versatile design – Can be installed in two ways, giving your more freedom to match it with your needs.

Slip-and-Clip - Using Clip and click technology of MasterCase series to allow simple tool free mounting of graphic card holder
