

Make It Yours.

RISER CABLE PCI-E 3.0 X16 (200MM)

MCA-U000C-KRC200

MAKE OF IT WHAT YOU WILL

This Riser Cable PCI-E 3.0 x16 allows you to connect your vertically displayed graphics card to your mainboard. With a length of 200mm the Riser Cable PCI-E 3.0 x16 is perfectly compatible with cases like the MasterCase H500P or MasterCase MC-series for example. The flexible design makes it easy to route the cable in your case.

Hi speed data transmission is guaranteed with the use of a high quality Hitachi cable. To avoid signal interference the cable is shielded with Aluminum foil.

FEATURES

Hi Speed Data Transmission: Using high quality Hitachi cable for fast data transmission.

EMI shielding: Aluminum foil shielded to avoid signal interference.

Easy to install: Flexible cable design will help you to route the cable easily in your case.
